

Oasis Gardens

Architectural Design Brief

Issued by Oasis Living Properties · 04 Sep 2023 · Ref OLP-RFP-2023-43

About the project

Oasis Living Properties is developing 120-villa community, Al Ain in Al Ain, United Arab Emirates. Flat greenfield site.

Item	Detail
Project	Oasis Gardens
Location	Al Ain, United Arab Emirates
Client	Oasis Living Properties
Built-Up Area (BUA)	48,000 m ²
Site / plot area	32 ha
Residential units	120

Basement car parking of approximately 10,560 m² is excluded from the Built-Up Area (BUA) figures.

What we need from the design team

The Client invites proposals for masterplanning, architectural design and landscape architecture services for the project.

Landscape works cover approximately 9.5 ha of hard and soft landscape.

The masterplan covers the full site of 32 ha.

Design stages required: Concept Design; Schematic Design; Design Development.

Construction documentation and tender documents will be prepared by the Local Architect of Record and are not part of this appointment.

Structural, MEP and civil engineering consultants will be appointed separately by the Client.

Submission

Proposals must be submitted by the date and time stated in the covering invitation email.
